**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Consumers like myself need more options, not less. Please don't let AT&T and US Telecom convince you otherwise. As a former AT&T customer I can honestly say they need competition like Sonic, frankly -to not be completely awful corporate citizens. Even with some competition AT&T routinely over billed our household by adding services in one case and forgetting to apply a discount on another occasion. Consumers need local carrier competition!

Best,
